

Scarborough Netball Club News

January

We'll be bringing you monthly newsletters with information, event details and other pieces of news that will help players, coaches, umpires and members keep up to date with what is happening at SNC. A Facebook page is also being created to improve communication even more.

Uniform Items

SNC dresses are \$75 each. Please contact the club if you need to purchase a uniform for the 2012 season. There are also club jackets (\$80) and umbrellas (\$30) available.

Fundraising for 2012

The club is in fundraising mode this year so please let committee members know if you have any ideas for the season. There will be the usual chocolate drive and entertainment books on sale. Details will be available soon.

Player Registration Forms

Player registration forms are due on February 10 with a \$100 non-refundable deposit. Players will not be graded until the deposit is paid. Forms are available at www.snc.org.au. The remainder of fees, which include umpiring, Netball WA membership, Perth Netball Association affiliation and the end of season dinner, are due by April 18 but pay by April 1 and receive a \$20 discount. This year's fees are \$290 for 17 and under players and \$300 for seniors, and can be paid via EFT with details on the website.

Pre-season and Grading

Grading starts on Wednesday, February 15 with registration and skills grading running until Wednesday, February 29 from 6-7.30pm for 17 and under and 7-8.30pm for seniors. Court grading will run from March 7-28 with staggered times - 5:30-6:15pm and 6:20-7:25pm for juniors and 6-6:55pm, 7-7:55pm and 8-8:55pm for seniors. Players will be notified of times the week before each court grading session. Please come prepared with short nails, no jewellery, a water bottle and a towel. And remember the skills sessions are part of grading this year.

Grading Policy

The SNC committee is putting together a Grading Policy this year that will be available on the website when it is complete. The policy outlines the aim, appeal process and other important details players and parents need to know about grading. The policy will be reviewed annually.

60th Anniversary Celebration

Scarborough Netball Club is proud to celebrate 60 years this season and will mark the milestone with an event on Sunday, June 3. Details are being finalised but put the date in your diary.

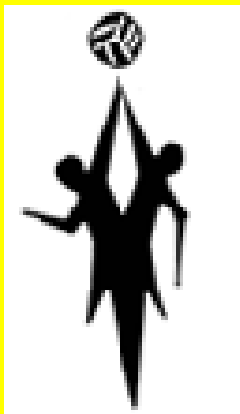

Committee Positions Vacant

There are positions available on the SNC committee. If you are interested in joining please email snc@snc.org.au or speak to a current committee member.

Shooter Training

SNC coach Emily Wise ran a shooter training session at Doubleview Primary School earlier this month and surprised players with an appearance from West Coast Fever players Caitlin Bassett (also an Australian shooter) and new UK defender import Eboni Beckford-Chambers. The session was a huge success. Thanks to Emily and the Fever girls for their technique and training tips.
